and Wedding Ceremony Products.

ABOUT US

Welcome to Manushree Enterprises, a professionally managed firm dedicated to excellence in the manufacturing of precision sheet metal enclosure and engineering products industry. Established in 2005, we began our journey with a clear vision: to deliver high-quality products and ensure complete customer satisfaction. We specialize in customized Metal Boxes, Engineering Products, Product Design And Development, Powder Coating, And Welding Services. Driven by a passion for innovation, we continuously explore new ideas to introduce our products to both national and international markets, contributing to the reputation and growth of our country. Our commitment is to deliver high-quality products and services tailored to the needs of diverse industries, including Defense, Pharmaceutical, Telecommunication, Electrical, and Electronics. Our commitment to quality and innovation has earned us the trust of our customers.

OUR SPECIALITIES

01

Development of Redesigning & Existing 3D modeling

05

Specialized in Engraving & Marking

02

CNC Laser Sheet Metal Cutting M/C

06

Specialized in Alu. & Sheet Metal Range (0.4to 3mm)

03

CNC Turret Punching Machine

07

Rdvetiry Clinching Machine

04

CNC Bending Machine

08

Painting & Powder Coating Service Provide

INDUSTRIES WE SERVE

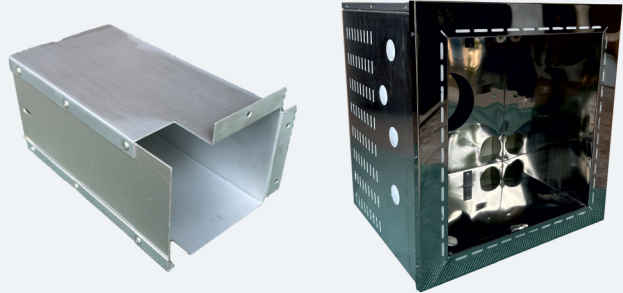

Indian Army Product

- Artillery Board Range 16KM
- Artillery Board Range 40KM
- Converter Filed Artillery (CFA)
- Ammunition Loading Device
- Side Tender

Pharmaceutical Industries

- OVEN complete assembly set
- Sterlizer Machine
- Ice Fios
- Valve Oven
- DPC

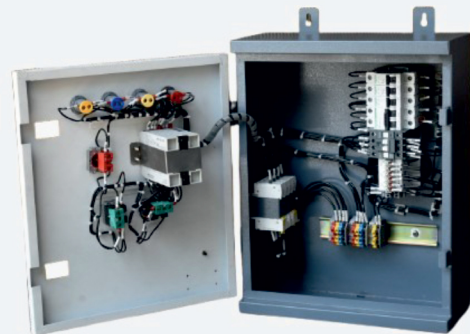

Wedding Ceremony Product

- Havan-Kund according to the scriptures (Brass, Copper)

Electrical & Electronics Enclosure

- Protection Relay Enclosure (Special IN Aluzink Material)
- Stainless Steel IP Protected Enclosure (Thick-0.4to3mm)
- Aluminum Enclosure (Thick-0.8 to 3mm)
- Brass & Copper Welding components.
- Electrical Grade (Alu. & Copper Bus bar)
- Motor Control Starter (Customized Enclosure)
- Battery Enclosure

WHY CHOOSE US

With a team of professional engineers and workers boasting over 15 years of experience, Manushree Enterprises provides comprehensive solutions under one roof. Equipped with advanced imported machinery and an in-house R&D facility, we ensure innovative solutions, prototyping, and exceptional service. We ensure that every product is delivered with precision and on time. We take immense pride in our legacy of manufacturing high-quality products. It has been an honor to serve esteemed clients such as the Indian Army and collaborate with national and international companies for over a decade. Customer satisfaction and quality remain our top priorities, ensuring you receive reliable and efficient solutions every time.
